I'm going to do the data dump to you, but let's talk about the content....we have a general business pull consisting of real stores, no emergency, fire, police, attorneys, agriculture, mining, federal, state or local government offices. That work? If so, provide the url/logins for your site.

Would you be able to provide me with a copy of the file?

I will work on it locally and upload as needed for clients

Thank you,
